IL BORRO 2021

IGT TOSCANA

Il Borro is our flagship wine, the one that best embodies our values and our vision. After an accurate geological study Merlot, Cabernet Sauvignon and Syrah have been planted in the best suited soils to express all their potential, giving birth to a velvety and opulent blend.

In 2021 a rather mild winter, with only a few and brief cold snaps, led way to a cool spring, with little rainfall. Summer temperatures were average, with some rains towards the end of August that made it possible for the grapes to reach full ripening. The resulting wines stand out for their colour intensity and a full, round taste.
