BORRIGIANO 2023

IGT TOSCANA

Borrighiano is a versatile wine that can be drunk all year round, ideal to accompany a whole meal in every occasion, which perfectly combines the elegance of the Sangiovese with the structure and spicy notes of the Cabernet Sauvignon.

2023 began with a mild and dry winter, followed by a rainy spring with average temperatures. The summer began with some heat spikes, which then gave way to a rather fresh August and a warm Autumn. The weather impacted the quantity, but the mild temperatures have led to wines with a compelling aromatic profile.
